Notes

* Required.

1. Your age will not be shared with club members, but we need to be able to identify 'seniors' and under 25s and keep track each year since there are different costs or fees involved for them. If you are at least 60 and do not wish to disclose your year of birth you can answer "60+" instead.
2. All club members automatically become associates of the national governing body Croquet England ("CqE") as well. By default you will become a CqE Standard Associate, but you can only receive the CqE Associate benefits if you consent for your contact details to be shared with CqE. You can also apply directly to CqE to pay an additional fee to become a CqE Premium Associate in order to benefit from discounts playing in tournaments at other clubs.

   See https://www.croquet.org.uk/?p=ca/JoinUs for a summary of CqE Associate benefits.
3. Please list any other croquet clubs of which you are a member. One club must be designated to CqE as your "primary club", which is responsible for paying a membership levy to CqE. This "primary club" can be Watford, and will become Watford if you are not a member of any other club.

By applying to become a member you agree to abide by the club's constitution and rules (see https://watfordcroquet.org.uk/club/membership.php). Your personal data will be stored securely in accordance with GDPR legislation and not shared outside the club for any purpose without your consent.

Please complete and return this form to a member of the club's committee, either in paper form or by email. If you have any questions about it please ask.
